COMING IN WORSHIP...

The Bible is clear that angels are present all around us and yet we really seem to know very little about these agents of heaven and their role in the world and our lives. This series will separate fact from fiction as we understand what angels really are and how God might be using them to affect our lives.

April 15 - The Nature of Angels
 April 22 - Fallen Angels
 April 29 - The Ministry of Angels
 May 6 - The Interest of Angels

COMMUNITY NEEDS FUND OFFERING - This is a well-used fund that our church utilizes to support congregation and community members in the midst of deep need or crisis. You can give through the month of April by dropping your offering in the box at the ministry highlights table in the lobby.

A huge thank you to everyone who helped out with the Easter Eggstravaganza! We had about 850 registered guests (and then some), we stuffed 700 bags and 8,000 eggs, and we had new friends from the Eggstravaganza join us for church on Sunday morning! Praise the Lord for His faithfulness and thank you to each one of you who lifted this community event up with your prayers and with your serving hands!
