

WORSHIP

During the month of January, our sermon series will take a Biblical look at what it means to live out justice as the Church. As we look around us, we see that injustice in our world affects those near and far in a myriad of ways, and that we as disciples of Jesus Christ, as His body, can join together and work for justice.

JANUARY JUSTICE FOCUS LITERACY

Health. Gender equality. Poverty. Every important social issue is impacted by low literacy. When individuals learn how to read, write, do basic math, and use computers, they have the power to lift themselves out of poverty, lower health care costs, find and keep sustainable employment, and ultimately change their lives.
