CARE

Prayers

- John Otstott was admitted to Spectrum Health Blodgett with a large blood clot in his lung. Pray the clot will dissolve quickly.
- Shirley Van Assen has not been feeling well for the past week. Please pray for improvement of her symptoms.
- For all who are dealing with the effects of cancer and cancer treatments.
- COVID-19 has shut down Guatemala and India, meaning many in desperate need cannot get critical support. Pray for these countries, for our mission partners there, and for our church to respond faithfully.
- For peace and healing as the world deals with the Corona virus.
- For peace, healing, and justice in light of the events in Minneapolis this week.

MISSION INDIA: CRISIS RELIEF PROJECT

Due to COVID-19, the Indian Prime Minister shut down the country, leaving the 80+ million who live hand-to-mouth in a place of hunger and desperation- a life or death matter. In this time of need, God has opened a door to sharing the gospel in India and Orchard Hill is running through it with our partner, Mission India, as they bring food, healthcare, and the truth of Jesus to those very people!

Support God's mission in India by giving at: <https://missionindia.org/relief/>. Please list Orchard Hill Church as your Church to help us track our fundraising goal! To learn more about the crisis and our opportunities to respond with Mission India, visit <https://orchardhill.org/current-series/>.
