ETC.

RESERVE THE DATES! January 8–10

Orchard Hill will host a special seminar, "IN THE BEGINNING: A Study of Genesis 1–3." Dr. John Walton, emeritus professor of Old Testament at Wheaton College in Illinois and author of Old Testament comparative studies, commentaries, and dozens of books and articles, will lead the seminar. Throughout his research, Dr. Walton has focused on comparing the Bible's culture and literature with those of the ancient Near East. We are blessed to have a gifted teacher of Dr. Walton's caliber come to Orchard Hill to guide us as we explore—and perhaps rethink—Genesis 1–3 as a foundation for our sermon series at the beginning of the year. Dr. Walton teaches and explains the content in a way that all can understand. Our weekend schedule is Friday, January 8, from 7:00 PM-9:00 PM; Saturday, January 9, from 9:00 AM-2:30 PM; and Sunday morning, with 10:00 AM worship followed by an after-service Q&A. Please save the dates and be sure to join us. This event is open to people outside OHC as well.
